

Hamboosh Permission Terms for Platform Connection

Last Updated: 30.04.2025.

1. Purpose of Data Access

When you connect your OnlyFans account to Hamboosh, you authorize us to access specific financial and performance data to determine your eligibility for instant funding through our underwriting engine, CentricWriting™, powered by the Creator Reporting Agency (CRA).

We use your data solely for:

- Evaluating your funding eligibility
- Verifying your platform performance
- Delivering faster financial services

We **do not** access, use, or share your private messages, subscriber lists, content, or communications.

2. What Data We Access

Upon your authorization, we may access and review:

- **Pending Earnings Balances**
- **Historical Earnings and Payouts**
- **Subscription Counts and Activity**
- **Tips and Transaction Volume**
- **Account Status and Payout Settings**

We only access data necessary to accurately assess your financial performance and platform stability.

3. Who Accesses Your Data

- Your data is processed through the **CentricWriting™ engine**, a proprietary underwriting tool developed and operated by the **Creator Reporting Agency (CRA)**.
- **Hamboosh** licenses CentricWriting™ to evaluate and facilitate your funding.
- Access is limited strictly to authorized systems and personnel bound by confidentiality and security obligations.

4. Security and Privacy Commitment

- All data transmission is encrypted using bank-level security protocols.
- We never sell, rent, or share your information with third parties without your explicit consent.
- Your data is used only for funding evaluation and risk assessment through Hamboosh's integration with CRA's CentricWriting™ system.

5. Revoking Access

You have the right to revoke data access at any time by:

- Disconnecting your OnlyFans account through your Hamboosh settings.
- Contact our support team to manually terminate data access.

Revoking access may impact your ability to qualify for future funding offers.

6. Contact Us

If you have questions about how your data is used or stored, please contact:

 **support@hamboosh.com**
